Stephen King Goes To The Movies

Synopsis

Stephen King revisits five of his favorite short stories that have been turned into films: The Shawshank Redemption (based on the novella "Rita Hayworth and the Shawshank Redemption") was nominated for seven Academy Awards, including Best Picture and best actor for Morgan Freeman. 1408 starred John Cusack and Samuel L. Jackson and was a huge box office success in 2007. The short story "Children of the Corn" was adapted into the popular Children of the Corn. The Mangler was inspired by King's loathing for laundry machines from his own experience working in a laundromat. Hearts in Atlantis (based on "Low Men in Yellow Coats," the first part of the novel Hearts in Atlantis) starred Anthony Hopkins. This collection features new commentary and introductions to all of these stories in a treasure-trove of movie trivia.

Stephen King is the author of more than fifty books, all of them worldwide bestsellers. His recent work includes The Bill Hodges Trilogy's "Mr. Mercedes" (an Edgar Award winner for Best Novel), "Finders Keepers," and "End of Watch" and the story collection "The Bazaar of Bad Dreams." His epic series, The Dark Tower, is the basis for a major motion picture starring Idris Elba and Matthew McConaughey. It is also now a major motion picture starring Bill Skarsgård. King is the recipient of the 2014 National Medal of Arts and the 2003 National Book Foundation Medal for Distinguished Contribution to American Letters. He lives in Bangor, Maine, with his wife, novelist Tabitha King.

Some reviewers have complained that this book is composed of stories that have appeared previously. True. Some complain that Stephen King's commentaries before each story are brief. True again. Many complain that the book is expensive, and it is. So, is this limited edition from Subterranean Press worth what it's priced? Absolutely! The quality of the book is amazing. This is not your average trade or mass-market production. The Vincent Chong movie posters created especially for this edition are incredible. If you are a Stephen King fan and collector you need 'Stephen King Goes to the Movies' on your shelves.

Great book

very interesting

My husband is an avid reader of many authors and genres; however he does have a soft spot for all books Stephen King. Our collection is almost complete of all SK hardbacks but just a few. This was one we didn't have but thankfully we do now. The book isn't a novel but it helps with the collection.

Stephen King is a great author and his books and short stories are captivating and well written. The short stories in this book are some of my favorite movies and I'm glad I get to reread the stories

Very prompt and delivered as promised. Thank you
