love this book I bought years ago and still buy; super!

This book was purchased used but is in pristine condition. The recipes are amazing. The pictures are mouthwatering. I have been making dinners about once a week using the recipes from this book I'm still trying to find the one recipe that is a dud. So far I'm on my 12 dinner, and the courses have all been very successful. It's nice to have recipes that have ingredients I can actually find locally. It's unusual to have them presented in such a beautiful format.

I had this cookbook in the past and it is wonderful. This book came in a clear book cover and was in new condition. The price was incredible. I was perfectly pleased.

I received this originally when it was published. Over the years, I have prepared almost every recipe in this book. Instead of writing out several recipes requested, I decided to try and find a copy. doesn't disappoint! My friend loved receiving this book and was awed I could find a copy for her.

Really a lovely book with lots of beautiful recipes that i can hardly wait to dive into.

This book was for my daughter. She lost the first one, one of her her personal favorites and when i found this at , I ordered it for her for Christmas. i have seen the book. It is in mint condition and she is very happy to have it.

absolutely excellent cookbook.....I've bought many, many of them. The one I just bought at was used and I was a bit disappointed in the quality of the product.

Beyond Parsley is one cookbook I always have nearby -- and I have many, many cookbooks. I am renowned among my family members and friends for e-mailing special recipes -- and many have come from this special gem. I have too many favorites in the book to list but if I had to select just ONE, I would choose Cossack Cheese. That one is a WINNER in every respect, and has gained the love of people around the US to whom I have sent the recipe. D. Ray Fuller Jr., Dallas, Texas
