This edition is the one that every singer should get. It doesn't have the terrible english translation. (it has a minor typo on Ferrando's first recite, but thats all)

Easy to read score with Italian vocal text. This score does not have the distracting English text. It is easy to use if performing the opera in Italian.

Beautiful edition of a classic work. Ricordi is an authority on Verdi and not only. Flawless

Wonderful Ricordi score bound for many years ahead. It will last much longer than my schirmer paperback ones!!! Excited to get working on this beautiful music.

The quality is perfect!

In the 19th century there was no better opera composer than Verdi and Il Trovatore has all the romance, passion and drama that one can endure. Do get this score and decide which role suits you and dream your way to heaven by learning it, or at least imagining performing it.

Verdi is presented in the best format by this Ricordi edition. It is only in Italian; which is ideal, because as a singer translating word for word gives the best interpretation! If you are a serious musician purchase this edition.
