Customer Reviews

my favorite movie, my favorite score, some songs are easier to play than others, depending on skill level. It's definitely not boring!

Gift for my 11 year old. He started playing right away.

The kids love it. Inspired practice time. Easy to play along with the cd help

My son requested this and is very pleased with it. He has told others in his band class about it.

Trying to get my child to practice the saxophone was not easy. But, when he was given the choice of music it became easier because he loves "Pirates of the Caribbean". He is a second year player and this was not too difficult to play. the cd helped alot.
