Robert Kirkman's The Walking Dead: Search And Destroy (The Walking Dead Series)

Synopsis

Robert Kirkman's *The Walking Dead: Search and Destroy!* The latest in Jay Bonansinga's New York Times bestselling series! What could possibly go wrong? For one brief moment, it seems Lilly and her plague-weary band of survivors might just engineer a better tomorrow. Banding together with other small town settlements, they begin a massive project to refurbish the railroad between Woodbury and Atlanta. The safer travel will begin a new post-apocalyptic era of trade, progress, and democracy. Little do they know, however, that trouble is brewing back home. Out of nowhere, a brutal new faction has attacked Woodbury while Lilly and the others have been off repairing the railroad. Now the barricades are burning. Adults have been murdered, children kidnapped. But why? Why subject innocent survivors to such a random, unprovoked assault? Lilly Caul and her ragtag posse of rescuers will soon discover the chilling answers to these questions and more as they launch a desperate mission to save the kidnapped children. But along the way, the dark odyssey will take them into a nightmarish series of traps and hellish encounters with incomprehensible swarms of undead. And as always, in the world of the *Walking Dead*, the walkers will prove to be the least of Lilly's problems. It's what the human adversaries have in store for her that will provide Lilly's greatest challenge yet.

Descent maintains the series' strength due to the author's truly powerful ability to describe the series' world and to establish tone, pacing, kinesthetics, and every other nut and

bolt that holds a good novel together.â••â••Booklist on DescentâœThe books are a really fun read...Itâ™s an interesting look at the universe that you already know and you might learn some things about your favorite characters you never knew.â••â••Fanbolt on The Fall of the Governor: Part One and Part TwoâœAn entertaining read.â••â••ComicBookMovie.com on The Road to Woodbury --This text refers to the Hardcover edition.

Enjoyed this installment very much. Can't wait for the next one. Jay Bonansinga continues to produce great stories in this genre.

I have now read all of jays books and I am just amazed with lilly. I can't wait to see what's in store for her next love love love these books

Definitely a great extension of the story and I can't wait for more!! I just can't get enough of the walking dead world! I love how the different medias have different storylines that run so close together but yetbthey are so different!! Greatly recommended!!

Lily is one determined lady, by the way the book ended there will be another out down the road. Makes we wonder if Lily had survived in the tv series at woodbury, how strong would her role have been with the group. Great story looking forward to the next book in this series.

These books are fast fun reads. It's not classic literature, but if you are a fan of the walking dead

comic, these books will give you some more insight into the world of the Walking Dead. I usually finish them quickly and always look forward to the next one in the series.

I love all of the Walking Dead novels but this one is really cool. Has me very much looking forward to the next one!

This book is amazing. A must have for any fan of The Walking Dead franchise.

Awesome continuation of the series. No far-fetched nonsense unlike other book series of this type. Looking forward to next book.
