Dynastic, Bombastic, Fantastic: Reggie, Rollie, Catfish, And Charlie Finley's Swingin' A's

Synopsis

How the Oakland A's of the 1970s "a revolutionary band of brawling Hall of Famers" won three straight championships and knocked baseball into the modern age The Oakland A's of the early 1970s were the most transformative team in baseball history. Never before had an entire organization so collectively traumatized baseball's establishment with its outlandish behavior and business decisions, let alone an indisputably winning record: five consecutive division titles and three straight championships. The drama that played out on the field was exceeded only by the drama in the clubhouse and front office. But those A's, with their garish uniforms and outlandish facial hair, redefined the game for coming generations. Under the visionary leadership of owner Charles O. Finley, the team assembled such luminaries as Reggie Jackson, Catfish Hunter, Rollie Fingers, and Vida Blue. Finley acted as his own general manager, his insatiable need for control dictating everything from the playlist of the ballpark organist to the menu for the media lounge. So pervasive was his meddling that one of his managers, Dick Williams, quit in the middle of the championship celebration following Oakland's Game 7 victory over the Mets in the 1973 World Series. The advent of free agency spelled the end of Finley's reign; within two years, his dynasty was lost. A sprawling, brawling history of one of baseball's unforgettable teams, *Dynastic, Bombastic, Fantastic* is a paean to a turbulent, magical time.

Customer Reviews

"*Dynastic, Bombastic, Fantastic* masterfully recounts a thrilling period in Oakland A's history. Jason's storytelling vividly captures the cast of characters that made up the Athletics of the 70s, starting with their ringleader, Charlie Finley. The stories of those memorable teams come

to life in the pages of this fascinating book." — Billy Beane, executive vice president of baseball operations, Oakland Athletics "Not to be believed, and yet 100 percent true" — this is Jason Turbow's colorful, hilarious, and impossible-to-put-down account of the Swingin' A's, from their tyrannical, unhinged, and wildly innovative owner to the brawling players whose locker-room dysfunction fueled one of baseball's greatest dynasties. — Steve Fainaru, senior writer for ESPN and author of *League of Denial* "Full of great characters, from Finley to Reggie to Catfish, this rollicking look at some of the most entertaining teams in baseball history is a must-read for any fan of the sport. Jason Turbow's passion, and love for the game, comes through. — Chris Ballard, Sports Illustrated senior writer and author of *One Shot at Forever* "Carefully researched and often hilarious . . . Dynastic, Bombastic, Fantastic" — has plenty to offer fans both serious and casual . . . Turbow has unearthed new perspectives on brief but important chapters in team history." — San Francisco Chronicle "A must-read for A's fans." — San Jose Mercury News "The history of a fascinating franchise during professional baseball's colorful 1970s era . . . The narrative benefits immensely from Turbow's many interviews with the long-retired players from the Athletics' dominant stretch . . . A pleasing slice of baseball nostalgia that offers relevance to today's game." — Kirkus Reviews "Turbow captures that glorious time period, brilliantly weaving fascinating tales of the team's colorful cast of characters while offering a behind-the-scenes look at a great time in sports history . . . Turbow vividly captures the ups and downs of his team through interviews with former players. VERDICT An exciting and engrossing book with stories that are worth telling. This work will engage fans of Charlie O. Finley and the Oakland Athletics, along with anyone captivated by baseball history." — Library Journal, starred review "Offers a chance to relive a period of outlandish moments in America's pastime." — Publishers Weekly "Just enough tidbits . . . to give the book some pop. Entertaining reading for fans whose interest in baseball history extends back 40 years." — Booklist "The read of the season." — BookPage

JASON TURBOW is the author of the best-selling *The Baseball Codes: Beanballs, Sign Stealing & Bench-Clearing Brawls: The Unwritten Rules of America's Pastime*. He has written for the New York Times, the Wall Street Journal, and SI.com. He lives in California.

This is a fantastic book, well-written and engaging. I wasn't a fan of the A's growing up and didn't even follow the three Series they won consecutively in the early 70s but this book drew me into the characters who made up the dysfunctional team, starting from the top with Charlie O. The author

does a great job of including enough details from the games to make them interesting without going overboard. And he brings out much of the sometimes bizarre behind-the-scenes stuff going on between the players themselves and between the players and the owner. I highly recommend this book for baseball fans and for sports fans in general.

Great book! A detailed account of one of the greatest teams of all time that doesn't get the credit they deserve. The early 70's A's straddled the pre and post free agent world (you could argue this team would have never happened in free agency) and the author suggests that even though the team fought at the drop of a hat, a common hatred of Charlie Finley brought them together and made them great. It's tough to like Finley after reading this but there is no denying his lasting influence on baseball.

Turbows A's book rivals Joe P. O'sanskis 70s Reds book. Amazing stories about a team almost lost in time due to their bizzare owner. He gets the inside story and goods and nailed everything.

A trip back in time. A team full of characters

This made a great birthday gift for a friend who is a long-time Oakland A's fan.

Immediately became one of my favorite baseball books!

This was the team of my youth and it was great to revisit those seasons. Poor Charlie O!

A well researched and informative read about a great team, the times they played and their struggles with themselves and with the man that created it all
