DEBRA KNAPKE, known to Ohioans as "The Garden Sage," is a popular speaker at Ohio gardening events. She has a master's degree in horticulture and teaches gardening courses at Columbus State Community College. She also writes for gardening magazines and is a frequent

guest on radio gardening shows. ALISON BECK has gardened since she was a child. She has a diploma in Horticulture and a degree in Creative Writing. Alison is the coauthor of several best-selling gardening guides, and her books showcase her talent for practical advice and her passion for gardening.

Anything Deb Knapke writes is excellent & has what is needed: a picture, recommended variants, planting help and possible problem pests.

The first time I came across "Perennials for Ohio" was at the local branch of the Columbus Ohio library system shortly after relocating to the area. Finding this garden guide easy to use and extremely helpful, I decided to purchase two copies of the book, one for myself and one for a friend.

Great book! Very descriptive and helpful in planning my perennial garden.
