Jill Norman speaks several languages and has travelled widely. Jill also created the Penguin Cookery Library in the 1960s and 1970s, bringing many first-class authors to the list. She has since become a Glenfiddich Trophy winner in her own right, and is a leading authority on the use of herbs and spices. She is the literary trustee of the Elizabeth David estate, and worked with Mrs David for many years.

This is such a lovely french phrasebook and is conveniently categorized by subject for easy perusal. I was surprised with how small the book itself is, it would easily fit in a purse or large pocket! I spent the following few days after receiving it, mispronouncing french phrases to the utter bewilderment of my dog.

Purchased before a trip to Paris last spring and came in SUPER helpful. Used it all the time and fit perfectly in my bag. Also, now that we've returned- it looks super cute on the shelf. The book itself

has a pocket dictionary feel...nothing super fancy.

Great learning tool! Will take with us on our trip to France!

Penguin Books are always the best! This has basics plus conversational situations, basic grammar, a good vocabulary section, pronunciation -- all anyone could need, and in a compact format. I am so glad this was my choice for my recent trip to Paris and Nice.

This is a very helpful, easy to use phrasebook. I love it.

Perfect little book to keep in your purse on a trip. Organized well and easy to find contents

It's a great collection of French phrases. I plan on traveling to Quebec and will know how effective this book is after the trip. But so far so good.

Great book - easy to use. Bought it for myself and as a gift!
