Great awesome, good and healthy. Will try some recipes in instant pot. Nice if included fotos. But good anyway. Recommended

I'm just learning how to use my Instant Pot so this has been a great reference for me. I'm looking forward to trying more recipes.

Great recipes for the instant pot. The instantpot is a great tool, and having some recipes has been great. The recipes are well written and don't have a ton of ingredients or hard to find ingredients.

Good recipes, easy, clear and inexpensive. Although i don't have the InstaPot, but a different pressure cooker, it still worked perfectly. Family is in love with the food, i'm in love with how easy it is for me to just turn it on, do nothing, and come back and serve.

Does a great job of doing meals quick....I have been getting recipes off of pininterest and they have been great.there is a learning curve to use the pot when you are doing multi-step cooking eg saute then using the pressure cooker.

has a lot of great information and recipes but some call for uncommon ingredients that are hard to find

This cook book was ok but it is so much like all the others we have but it was ok to look through.

Love the guidance for the Instant Pot this book has to offer. The recipes are quick and easy.
