Customer Reviews

I am trying to learn French. But I can do it. Because I'm very busy. But When I read this book, I feel French is very easy. This book is very comprehensive book on learning French. This is really well-planned and I like how the author give the step by step lessons here.

Loved this book and how it was put together! Made it very easy and enjoyable for me to get back into learning French as an adult...

This is a great book to guide someone in learning French. It is well organized, easy to follow and contains only material that is useful for learners. You can learn the basic grammar and some useful expressions you can use in different circumstances. This book has given me a wonderful opportunity to learn French. Learning French has been easy with the help of this book. Highly recommended book!

It is a great simple easy to understand guide to learning French. I guess I know few words now when I get in the social setting. To get the full benefit out of this book, I think it would be best to practice the exercises in the book. This book also gives you French words which makes it a very worthwhile read.

Want to learn French? Try this book. A wonderful guide to learning French step by step, covering all the basics and grammar and even pronunciations. It's well planned and helps you speak French fluently.
