## Customer Reviews

Potter Style, an imprint of the Crown Publishing group, is a high-end gift book and stationery line, specializing in lifestyle, design, art, fashion, humor, and DIY.

These are really very nice bookplates. Quality looking and feeling paper. They stick well and I had no issue with peeling them from their backing. I've even managed to find use for the sticker's framing. I love the packaging that they came in - will find a good use for it once the stock is

exhausted. All-n-all I am a satisfied customer of this product.

While younger people may nit remember bookplates these were excellent quality and made a fun and nostalgic gift.

LOVE THESE. They are lovely and very classically designed. I will definitely be buying more of these as my personal library expands. Very good quality and well made. I would recommend them to anyone.

The bookplates don't separate from the sheets and 50 percent ended up being useless.

Gave some of these as party favors at a book club and everyone loved them. I used the rest myself. Gorgeous!

A great pkg of bookplates. They got here very fast and I know I will enjoy them.

These bookplates are very good quality and I really enjoy the different sizes and designs.

Great price, and the product is lovely!
