Ruth Bernhard: The Eternal Body: A Collection Of Fifty Nudes

Synopsis

Described by Ansel Adams as the greatest photographer of the nude, Ruth Bernhard created a collection of images that ranks among the most profound photographs of the female form. Her intense, studied camerawork transcended the boundaries between the spirit and the flesh. Ruth Bernhard: The Eternal Body is the first monograph of Bernhard's nudes, in print for 25 years, and now in a newly designed hardcover. Featuring a new foreword by Karen Sinsheimer, and an illuminating biography by Margaretta Mitchell, this new edition of a landmark book honors one of our most celebrated artist photographers.

Customer Reviews

Outstanding...the greatest photographer of the nude. Ansel Adams --This text refers to an out of print or unavailable edition of this title.

Ruth Bernhard (1905â“2006) was one of the most significant photographers of the twentieth century. Margaretta Mitchell is a photographer who exhibits internationally. Karen Sinsheimer is curator of photography at the Santa Barbara Museum of Art.

Being saturated with female images produced only for male desire, it is a relief and a kind of miracle to see the female nude as simply herself.

livre en bon État, livré dans les délais

If you're interested in collecting the more classical masters I would highly recommend this book.
Great nudes from a master of lighting.

I like this book a lot because it shows a REAL artistic nude portfolio and is the standard of such work.

Ordered used. So this was the original publication. Cover is different. But I lucked out. Author signed the copy I have. Score!

Wonderful photographs in good reproduction. I had never heard of Ruth Bernhard until I saw one of her figure photographs on Pinterest.

It was worth the money to get inside her head a bit. the pictures are lovely. I would buy it again if interested in the subject.

Really nice subject and how it works with black n white photos
