Michael E. Eidenmuller, Ph.D., is an associate professor of speech communication at the University of Texas at Tyler and the founder of AmericanRhetoric.com, the Internet's largest database of freely available, complete speeches in both text and audio format. He lives in Whitehouse, Texas.

Good book. However with all of the great speeches available there are several in the book that should be replaced

If you're looking to expand your speech preparation library by a book, this could be the one. Solid example for both preparation directing the reader into the foundations of good, solid preparatory techniques, including writing, and good examples of successful speeches delivered by others in a variety of situations. - Prof Michael Haller

I read these speeches to recover my voice after a stroke. Builds ability to speak and grows your intellect as well. I suspect this book, diligently applied, could make you yourself a superb speaker. It might help trial lawyers in many aspects of their courtroom work.

Good very Good.

Great is new and conditions was very great !!

Nothing to brag about. ..sorry

Very helpful book.

Excellent
