The River Is Dark

Synopsis

In a small town along the Mississippi River, separate but nearly identical attacks have left two married couples brutally murdered in their homes. A young boy—the lone survivor of the killings—now lies comatose in the hospital. And the police's only lead is the boy's terrified description of the assailant: a "monster." Enter former homicide detective Liam Dempsey, whose estranged brother fell victim to the killer. Dragged into the investigation as a suspect, Dempsey vows to solve the case and clear his name. But two things stand between him and the truth: a web of local politics, and the grim secrets the victims held close. All the while, a murderer with boundless hatred continues to raise the body count. As the troubled ex-cop tries to pull justice from the town's emotional wreckage, he realizes that his could be the next life lost to the killer's ruthless, twisted plan for revenge.

Best Sellers Rank: #57 in Books > Audible Audiobooks > Fiction & Literature > Horror #161 in Books > Audible Audiobooks > Mysteries & Thrillers > Suspense #556 in Books > Literature & Fiction > Genre Fiction > Horror

Customer Reviews

this is an exciting novel with a good storyline and a good cast of surprising characters. While the main character is a priest; he is unlike most priests. He makes many personal sacrifices as he follows his quest to find a missing women and overcome a crime ring of enormous power. The story will hold your interest and keep you reading. I recommend it.

A good mystery. I enjoyed the pleasurable read. It kept me guessing and wondering three quarters of the way through. Some of it was a little beyond logic towards the end. Thus four stars. But, would recommend.

I was not impressed by the story line or the charters in the story. This may be a great read for anyone else looking for the thriller and action.

I can't always finish a book - if it doesn't hold my interest, I don't read it. This is one I definitely read through. I highly recommend.

Joe Hart has a way to tangle and untangle the story so well you just can't help turning the next page and the next and the next.

I like a well developed book. Good characters. Suspenseful! Will read next book the whole series will be good reads

This was the first book I have read by this author but it was truly amazing! Can't wait to read the next one in this series!

This was a great read. looking forward to t he next book in this series. Highly recommend Joe Hart books
