Customer Reviews

Very nice looking wall calendar by artist Luis Royo. Its a 12 x 12 inch wall calendar. Great for any enthusiast of fantasy, scifi, gaming, D&D, gothic, anime, cosplay or fans of the likes. Would suggest buying two, one for hanging on the wall and one for storage box, collecting. Also great as a gift. Quality of printing looks good, color looks about right. Paper quality thou it seems most wall calendars is not as sturdy as each year goes by, it gets either lighter in weight or thinner. Wall calendar should be sturdy enough to last hanging on walls so it will not tear slowly due to gravity as it gets heavier every time you add/flip to a new month. Would suggest to buy those ring/hole supporter that you put around three notes college paper or similar to support the longevity of your wall calendar. Helps take some of the stress away from weight/gravity as you flip and add to each month, as gravity slowly takes its toll. It would be nice if they added extra protection/enforcement of some types on the hole where you hang up the calendar. But that would cost extra I think.
