Corrie Ten Boom's Prison Letters

Synopsis

Prison Letters is a collection of these very letters that have miraculously survived to this day. Here are the actual writings of Corrie and her sister Betsie from the concentration camp...the emotion-filled letters they received from relatives and friends on the outside...snatches of a diary recorded by Betsie..Corrie's perceptive sketches of prison life smuggled out of the camp by a sympathetic soldier-all containing precious lessons of faith and love learned in God's training school. It was only recently that Corrie herself re-read these moving letters, an experience which resurrected many painful memories for her. But with the sadness came the conviction that God wanted her to share these writings so that others could experience the same faith that guided her through a time of trial and triumph.

Book Information

Paperback: 90 pages

Publisher: Fleming H. Revell Company; English Language edition (May 1975)

Language: English

Customer Reviews

Prison Letters is a collection of these very letters that have miraculously survived to this day. Here are the actual writings of Corrie and her sister Betsie from the concentration camp...the emotion-filled letters they received from relatives and friends on the outside...snatches of a diary recorded by Betsie..Corrie's perceptive sketches of prison life smuggled out of the camp by a sympathetic soldier-all containing precious lessons of faith and love learned in God's training school. It was only recently that Corrie herself re-read these moving letters, an experience which resurrected many painful memories for her. But with the sadness came the conviction that God wanted her to share these writings so that others could experience the same faith that guided her through a time of trial and triumph.

I had read "The Hiding Place" by Corrie ten Boom many years ago and was very interested in this book by her. I found it very moving. It is hard to imagine the despair and hardships that Corrie and her family had to endure during this time simply because they were caring, giving Christians living by their convictions. God was truly in their lives helping them to get through such a horrible time.

Seller sold as new, however, that would be correct if this was 1975 per the printing page.

Fortunately the book is in good condition but shame on the seller for listing an old item as new. On a truthful note, Ms Ten Boom was an amazing woman and a wonderful role model as a Christian. I was honored to have met her as a child but now as an adult I'm learning more about her. You will be blessed by her message. I recommend all her books.....old or new. 3 stars is for the seller not the 5 star book.

none

This was supposed to be a hardcover book. It came as a paperback. I paid \$33.00 because it was listed as hardcover-not pleased!

wonderful message of faith in her suffering. It told more of her story before the concentration camp in Germany. Highly recommend it.

I love the candid entries, they really flesh out her book The Hiding Place even more. And great additional photos.

Collect all Of Corrie Ten boom's books.

This is a book of history and hope. I've yet to read a Corrie ten Boom book that I didn't love!
