The Man Who Walked Through Time: With Photos Taken En Route By The Author

Synopsis

The story of the first trip afoot through the depths of the Grand Canyon by the author of "the Thousand-Mile Summer", 239 pages, illustrated with photographs by the author. From the jacket: The day Colin Fletcher first saw the Grand Canyon, he knew he had to walk through it from one end to the other. The Grand Canyon had been run by boat, but on one had ever attempted the journey by foot, and the experts said it could not be done. Still, Me. Fletcher, and experienced hiker who had walked fierce mountain country and inhospitable desert, was determined to make the trip. A year later he started the two-month journey he describes in this book.

One of the best journey and backpacking books of all time. I bought this years ago and it was so good that it changed my wilderness travel life. I just bought another copy so that I can loan it out more.

Tried reading this for my rim-to-rim hike, but stilted writing put me to sleep. Too much technical

detail.

Very interesting story. Anyone who hikes will enjoy this book.

read this book in 1970 i live 1800 miles away from the canyon and always dreamed of visiting in person. he mentioned snow and at 16 then i had no idea wht if any snow tht area recieved, and the colors of the rocks . finally in march 2011 we visted my daughter and her husband were stationd in tucson az. we spent sevral days at the canyon80degrees the 1st day at lunch and snow in the afternoon the first 4 paragraphs of this book i had forgotten but experiened in real life as we stood looking across the canyon in the sun we watced as snow clouds blew in yet still were ablbe to see sun on roks miles away .i was hooked we stayed overnite so we could watch the shadows of sunset and surise the next morning .i orderd sevral copies for my kids and my my wife to read they also,standing on the rim looking out theres no frame the silence is real and the colors are real

My favorite Colin Fletcher book. It's nice to read about one of my favorite places in a much simpler time, before the crowds and rules.A good companion to this is "Grand Obsession," about Grand Canyon legend Harvey Butchart. Their brief relationship is interesting.

I really enjoy Colin Fletcher's descriptive writing.

Beautiful writing, entrancing story. Highly recommend.

A beautiful description of the physical aspect of the Grand Canyon and the author makes it even more interesting by exploring the spirit of the Canyon. A great read!
