Love What Matters: Real People. Real Stories. Real Heart.

Synopsis

In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at Love What Matters. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." • "Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is Love What Matters, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life • these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection • just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." • Johnny

As a Love What Matters follower, I am excited to give this book to my mom and mother in law this Mother's Day. It's beautifully and lovingly designed from cover to cover. I'll probably order one for myself too!

In an era where every news station and website bombards you with self-serving politics and horrible crimes, Love What Matters is a breath of fresh air. Love What Matters nourishes the soul with stories that portray the beauty of humanity from every walk of life. It delivers raw and honest passages that leaves a mark long after the page is turned. I just had a baby 7 months ago and I look forward to sharing these stories with her. Highly recommend this book. It is a great gift for family and friends.

Loving this book! Full of uplifting, empowering and inspirational stories! Everything from being a mom to infertility to autism, it hits on many special communities and themes. Each page makes me thankful to be in this world and grateful for the everyday heroes among us.

Gives my heart so much joy to read all of these stories. Clara Ray is the reason I purchased this book. Much love!

I ordered 3 for gifts - it looks beautiful....just an FYI though...the cover was on upside down on all of the books....

What a beautiful book, both visually and of course with the amazing content and messages,. These stories are such a wonderful reminder of celebrating life and putting things in perspective. Just ordered another 7 copies, this will be gift for some very special people this year!

Good book but if you've followed their FB page its all a repeat. I was a little disappointed about that. Would have been better to buy a physical copy (instead of kindle) to give as a gift.

Highly recommend this book. An AWESOME read. Great inspirational stories. Real people dealing positively with sometimes unpositive situations.
