mostly about your "first crush"

I have always loved this book and was getting it for a friend

My daughter loves it

The Itty Bitty book series is a lovely collection of poetic stories with beautiful renderings of Precious Moments artwork. Many of the illustrations included represent classic Precious Moments images, and it is wonderful to view them in the context of the stories. A Precious Moments Gift of Love shares a collection of poetry that speak of love and friendship. Poems each take several pages, and each is capped off by an illustration. These are quality bound miniature hard covers, and I love how they decorate my bookshelf in addition to their content.
