People Of London (Tales From The City)

Synopsis

Acclaimed portrait and documentary photographer Peter Zelewski has spent the past three years capturing the diverse range of faces and thoughts on the streets of London. His images, which have been seen in the National Portrait Gallery in London and throughout the UK press, are closer to art photography than snapshots. Peter Zelewski, originally from Detroit, has lived in London for over thirty years. In 2015 he was awarded a top prize in the prestigious Taylor Wessing Photographic Portrait Prize at the National Portrait Gallery in London.
