## Customer Reviews

Kelly Polark is a married mom of three and a kindergarten teacher and author from the Midwest. She has been featured in Spider, Ladybug, and Highlights Puzzlemania. Her published books include BIG SISTER, BABY BROTHER and HOLD THE MUSTARD! by Meegenius and ROCKABET: CLASSIC EDITION. She is also the author of WORDS ON BIRDS and I'M A LITTLE GREEN WITCH. ROCK 'N' ROLL PRINCESSES is her debut middle grade novel. In her free time, Kelly hangs with her family, reads books, and sings along at rock concerts. Visit her websites, BOOK RECS OF THE ROCK AND FAMOUS ([www.bookrecsthatrock.blogspot.com](http://www.bookrecsthatrock.blogspot.com)) and KELLY POLARK ([www.kpolark.blogspot.com](http://www.kpolark.blogspot.com)). Find her on Facebook ([www.facebook.com/AuthorKellyPolark](http://www.facebook.com/AuthorKellyPolark)) and on Twitter, too (@kellypolark)!

Music has always been a part of my life. My father played the guitar and my Mom, brothers and I were always singing one tune or another. Later, I married a musician and continue to rock to oldies and new tunes. I believe music lifts the heart and strongly encourage young people to learn an instrument, sing in a choir or at the very least, listen and experience all types of music. Rockabet gets the young ones started early in the wonderful world of Rock n Roll while teaching them the

alphabet at the same time. The illustrations are awesome and the author takes you on a journey through years of rock. Buy a copy for all the future musicians in your life.

I purchased two copies of Rockabet for Christmas. One for my niece and the other for my boyfriend's nephew. On both occasions, the adults were just as excited about the book as the kids! They loved the GNR reference, "They've got fun and games." And the picture of Elvis munching on his cookie gave everybody a giggle. Rockabet rocks!

Our children LOVED this book! They STILL love to read it, at 7 and 8 years old. What a great way to combine the world of popular music and learning! As parents, we love to read it with the kids! Thanks Kelly Polark!

I loved the book. I thought it was so creative using all the groups and their song titles. It brings back some good memories about classic Rock groups!. The graphics are great as well. This book could easily be used in an early elementary music class.

This book is fun for both kids and parents because the classic rock bands are nostalgic for the parents and the kids get to learn about something their parents love while looking at adorable pictures that relate to songs by those bands! The catchy wording and great illustration make this book a WIN WIN!!!! A++++++

This is an adorable book, particularly for adults who were "metal heads" in their youth. I look forward to keeping this one on my "gift list" for giving this in the future.

Seriously, what a fun picture book! My kids didn't know most of the bands but we'd listen to snippets of songs from each one mentioned and it was a trip down memory lane for those of us who grew up listening to the radio. Awesome!

Cute and brings back so many rock memories! Great to read to kids and teach them what the good groups were! The illustration was colorful and eye catching.
