Cherringham - A Cosy Crime Series Compilation (Cherringham 13-15)

Synopsis

Jack's a retired ex-cop from New York, seeking the simple life in Cherringham. Sarah's a Web designer who's moved back to the village find herself. But their lives are anything but quiet as the two team up to solve Cherringham's criminal mysteries. This compilation contains episodes 13 - 15:

A Lesson in Murder: When Jack and Sarah are called in to investigate mysterious pranks at Cherringham Girls School, it seems at first that it might be the work of a few mean pupils with a grudge. But things quickly turn serious when a popular teacher meets a sudden, violent death.

The Secret of Combe Castle: When the penniless FitzHenrys find themselves victims of a threatening campaign to oust them from their ancestral home, Jack and Sarah are called in to track down the culprit. Soon they discover that truth is often stranger than fiction, and in Combe Castle things do indeed go bump in the night...

A Fatal Fall: Dylan McCabe - a labourer on a rushed Cherringham building project - has been complaining about the site's lack of safety. When he's discovered dead after a fall, it seems that Dylan's own warnings were all too true. Jack and Sarah get involved, and suddenly what looks like an accident, becomes a case of cold-blooded murder.

Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick listen for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa. For fans of Agatha Christie's "Miss Marple series", Lilian Jackson Braun's "The Cat Who series", Caroline Graham's "Midsomer Murders", and the American TV series "Murder She Wrote", starring Angela Lansbury. Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. The narrator of the audiobook, Neil Dudgeon, has been in many British television programmes including the roles of "DCI John Barnaby" in "Midsomer Murders" and "Jim Riley" in "The Life of Riley".

Customer Reviews

Overall a 5 star series of books. The writing is tight, without repetition, the characters are interesting & I like them & the situations are unique & not all murders. I appreciate the fact that they don't kill off everyone in the village one by one, the cops aren't always being represented as stupid idiots, the folks solving the mysteries are everyday folks, one with a little experience & our investigators aren't suspected of every crime. It's a refreshing take.

Enjoy the audiobooks too especially at bedtime when I need to escape the day's cares while listening to Midsomer Murder's Neil Dudgeon reading all of the Cherringham's stories. Trying to solve these who-done-its is just the ticket for the English cozy I do so enjoy. Great writing team! Keep 'em coming. And keep Mr. Dudgeon on as narrator.

I am addicted to Cherringham Mysteries - love them. I love the main characters, Sarah & Jack. I love seeing how their "friendship" develops and hope one day to see it develop into a romantic relationship. It is so obvious that these two care for one another. I don't know what Jack is waiting for. I love everything about the series, love the village of Cherringham, love the pubs and eateries they visit, love Jack's boat, love his dog, Rylie. What is there not to love about this series, especially if you are an anglophile like me. I love everything British - the country, city, seaside, countryside, love the accent - the food, not so much. They do have some great desserts. :)

The series are all very good and written well. The stories are interesting and enjoyable to read.

this series keeps one's attention with a good amount of suspense and the description of the characters' surroundings is always interesting and helps to stir the readers' imaginations.

I have now read all Cherringham books. Every one is a cozy mystery fun read.
