My 2 year old loves these books - they have cute rhymes and great pictures that he loves looking at as well. He's learning so many new words with these. Would highly recommend to anyone that loves sports as much as he does!

My daughter is 14 mons she wasn't interested in these soccer riddles. I'll reintroduce it to her again soon.

Great little book! My 2 year old grandson practically has it memorized! He has me read it several times a day!

Super cute soccer rhyming riddle book! I bought this book for my soccer loving husband to read to our children. It's a hit!

Super cute for future futbol stars!

These are small books which is good for a car seat or for fitting in diaper bag, however it isn't one of my grandson's favorites. Maybe as he gets a little older and appreciates the concept more.

This little book is well written for the young soccer fan in terminology that they know and are going to learn as they play the game more. My 3 year old grandson has the entire series and they are his favorite books! Highly recommend.
