Re:ZERO -Starting Life In Another World-, Vol. 4 (light Novel)

Synopsis

At long last, Subaru can finally enjoy a breather...until an envoy visits to discuss the royal selection. Determined to help Emilia win the throne, Subaru accompanies her to the capital, but Emilia herself stubbornly refuses his assistance. As the tension grows between the royal candidates, so does the friction in the pair's relationship. Has Subaru's devotion gone too far?

Customer Reviews

Shinichirou Otsuka is the artist of the light novel series RE:Zero. Tappei Nagatsuki is the author of the light novel series RE:Zero.

In yet another light novel for Re:Zero, Subaru finds himself in yet another mess...of his own choosing! We are presented with a flawed protagonist who (le gasp) is able to sometimes make the wrong choices. You'll wince, but Subaru's mistakes are definitely a part of his character. Growth is needed, and this series does that rather well in my opinion. Looking forward to the next installment!

Very solid volume! As an Anime watcher, I can't wait for what's to come

Love the art style and story of this series, more detailed than the anime that came out.

Can't wait for more from Re:ZERO !!!!!!! Rem is best girl!!! (Emilia too D:) !

I just want to increase the average rating cause I love this series.

The sexy bangin princess!, but then not so hot as she makes one cringe throughout with her arrogance hahaha.. Poor SubaruFor those who have watched the anime,(customer you now who you are) :p this is between eps I believe 11_13 with the whole Royal selection going on and a desperate Subaru who infiltrates against Emilia's will, Subaru has gained the trust of those around him until this point... Despair and solitude awaits him again. Book also came with less art in the introductory pages as it is soon followed by character profiles. Next volume should be mind blowing to those who haven't read it including myself! SUPPORT THE SERIES! :)PS: what really made it up for me was the details on Al's story... Subaru is not alone...? ;D
