Customer Reviews

"Think Graceland in Memphis is the only thing worth seeing in Tennessee? Day Trips from Nashville will make you see things differently. ... A must-have for those wanting to get off the main highway on their visit to Tennessee." --Army Times, Navy Times, and Air Force Times

Enjoy a welcome change of pace and discover a world you may not know exists in your own backyard. DayTrips® describes hundreds of fascinating and exciting things to do, many free of charge and most within a two-hour drive of Nashville. Catch some country at the Grand Ole Opry, the world's longest-running live radio show. Find inspiration and bourbon fudge at the Abbey of Gethsemani, the country's largest and oldest monastery of Cistercian monks. Go spelunking in Kentucky's Mammoth Cave, said to be the longest cave system in the world. Spend a day on a pontoon boat at the Tennessee River Fresh Water Pearl Farm in Camden, and see how freshwater mussels are raised to make cultured pearls. Each Day Trip Includes: Travel directions ¢ Destination highlights ¢ Other places to visit along the way ¢ Choice restaurants and lodging (including price ranges) ¢ Shopping

Great resource. I buy this book for anyone new to Nashville or for anyone who thinks they're "bored."

This is a good little book but WHY are the prices so high?? I bought mine for \$12.95!!! And it looks brand new!

This is a solid little book for anyone new to the area. You'll get a lot of ideas for stuff to do Middle Tenn and Southern KY. My problem is that having lived here for over 8 years I have hit at least 2/3 of the trips and many of the rest are more of a "scenic drive/stay at a B&B" type trip.
