Wendy J. Schiff MS, RDN received her BS in biological health/medical dietetics and MS in human nutrition from The Pennsylvania State University. She has taught introductory foods and nutrition courses at the University of Missouri-Columbia as well as nutrition, human biology, and personal health courses at St. Louis Community College-Meramec. She has worked as a public health nutritionist at the Allegheny County Health Department (Pittsburgh, Pennsylvania) and State Food and Nutrition Specialist for Missouri Extension at Lincoln University in Jefferson City, Missouri. In addition to authoring Nutrition for Healthy Living and Nutrition Essentials: A Personal Approach, Wendy has coauthored a college-level personal health textbook and authored many other nutrition-related educational materials. She is a registered dietitian nutritionist and a member of the Academy of Nutrition and Dietetics.

It's a book...what else do you want?

I absolutely love the fact that I can rent my books for school instead of buying them for exorbitant prices at the college book store. Thank you so much for making this an option.

Shipping was fast, the book is awesome too if you are into nutrition and healthy habits

school book

loved this book! learned so much from it.

Best price for a college class.

The book is very easy to read. There are many helpful diagrams to help reinforce the information.

Helped me out tremendously
