Mickie Matheis is a writer living in Ohio.

It's the go to bedtime book for our 3 year old! She and her Daddy both love it!

Daughter is in gymnastics and loves this book. Definitely a good buy.

My 4 year old daughter is pretty timid and I love that the message of this book is "having the courage to try new things." That's the exact reason I put her in gymnastics and she's already using that phrase in other areas since we've had the book :)

Just got this today and read it twice before bedtime to my 5 year old daughter. Simple story about friendship and encouragement. Looking forward to the next release.

My daughter loves it! And I love having a portable library for her. I hope you enjoy it!Thanks,

Such a fun book for the kids! She loved the story line, pictures and especially the stickers

Such a cute book for my 5 year old gymnast

nice book
