A good translation of this much-loved picture book. Children will be fascinated by the caterpillar's varied diet and miraculous transformation into a beautiful butterfly. Copyright 1990 Cahnerns Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

The Very Hungry Caterpillar is a beautiful story and my daughter absolutely loves it. The fact that it's bilingual enables me to read the story in both languages to my daughter and teach her how to be bilingual.

Very cute story and drawings. Love the depiction of different foods and how they are shown.

The book is very cute. Great illustrations, opportunity to count, and a wonderful ending.

A mi hijo le encanta este cuento! Es colorido, tiene dibujos grandes, las paginas son de distintos tamaños y con huequitos lo que lo hace entretenido para mi hijo que solo tiene un año. Además enseña a los numeros, haciendo una pequeña introducción a las "matemáticas".

it is a really good story! pictures are bright and pretty!

love it

Loved this story when I was a little girl, now my son loves it as well!

Some of the translation a bit off, Its a small book but very colorful and attractive to my daughter.
