A Rocky Mountain Romance (Wyoming Mountain Tales Book 2)

Synopsis

A Christian Historical Romance Novel The Wyoming mountain country seems like the perfect place for Zeche Reid to find himself. When a blizzard sends him scrambling for cover, he stumbles upon a lady and her professor father holed up in a remote cabin. His protective instincts won't let him desert them to continue his travels, especially when the father's haunting memories from the War of Secession put his daughter's safety at risk. Fighting her own nightmares after the war, Gretta Michelly is trying to settle into this rugged mountain land, but her bad memories are nothing compared to the demons that haunt her father. The haven they've found in these Rocky Mountains seems to be the solace he needs to find peace until a mysterious sojourner appears on their cabin doorstep. She can't help but be drawn to the wild aura that surrounds the man, but that strength seems to be that very thing that intensifies her father's struggles. As Zeche is torn between his craving to protect Gretta and the awful realization that he's the one putting her in more danger, he's forced to make a difficult choice. But when a run-in with an elk changes his plans and Gretta is faced with a danger Zeche is powerless to control, Zeche has to find a way to protect her at any cost. Even at the cost of his heart.

Customer Reviews

I enjoy this author's stories and this one did not disappoint. It felt like a real story that could have happened during this time period-and at the end I wanted to learn more about the characters-what happened afterwards.

This was the. Second book in this series that I have read. Both were enjoyable. I have liked that the author can build both romance and excitement with out profanity overtly specific sex.

With the help of Our God, love found a way to bring hope and happiness. I love Miss Beller's stories, full of sweet adventure, with the beauty of the mountains we love.

I loved the feeling of actually being on the mountains with the cabin and the beauty from the sweet love story that included the trials of building a relationship in those days. The book was one I didn't want to put down. Thanks for a great read.

Loved Gretta and her giving generous nature and the development of Zeche' s character after meeting him in the 1st book in the series. The descriptions of the rugged mountains, people and animals were very good too. Can't wait for the next book. Great job, Misty.

As I read your wonderful story, I could see the characters, cabin, and mountains in my mind's eye as I read on and on. Loved the interaction of all the characters.

I loved the characters. The setting and plot work very well together. However, a back story of what happened to her father to explain his episodes would be nice.

This was a plan that God put together. It was heartwarming and romantic. The characters cared about each other and sought His direction.
