This book was so interesting book for even me, a child of a POW Veteran of WWII. My dad would not talk about the War while I was growing up. I love the history of WWII. My grown sons are reading it now.

I'm. A grandmother who has read The Magic Treehouse books to my grandson. This book is wonderful. This book should be read in a classrooms so our next generation knows what their country suffered for our freedom. I enjoyed reading it myself and I plan to read this to my grandson who is in sixth grade. I'm giving it five stars!!
