Synopsis

Salad dressings & vinaigrettes are the most versatile recipes you can make. These recipes are not just for salads. Use the recipes for marinades, basting sauces, dips and dipping sauces. Customer Reviews

Making my own salad dressings is far less expensive than buying them and in the long run healthier. This is a good idea book as I am not always creative.

Homemade salad dressing. Fairly good resource.

Excellent ebook.

a must have for anyone who loves salads (who doesn't love them anyway), and it's a real gap filler in the book game in my opinion, wonderful ideas with a little mediterranean touch

GOOD INFO.

I don't use it a ton but there are some recipes. I don't buy bottled dressings anymore.

Useful, but not as good as Childs recipes

I bought this, but I can't read it on my Kindle. I need to call & find out why. But I think I would like it.
