Awaken The Wellness Within: A Journey To Health & Wellness

Synopsis

Imagine if there was a machine that could cure everything and anything? It exists. This machine is called the human body. Made of billions of cells, it has the ability to cure and heal anything when those cells are working in harmony. The beauty of the body and every cell is that both have the power to heal themselves. The power that created the body has the power to heal the body. No doctor, no drug, no supplement, and no object has ever truly healed on its own. They only assist the body and only then if they act in harmony with the laws of nature. Awaken the Wellness Within is about awakening your inner healer and finding the wellness within. This allows you to take control of your health destiny. This book focuses on the cause of disease and not just treating symptoms. A life out of balance will catch up with you eventually, and everyone that is sick is out of balance. This book inspires the reader to find the formulas to health, wellness, and longevity in their lives and to live to their healthy potential. Imagine a world not dominated by sickness and disease. This book offers a new health paradigm of health and disease. This book breaks down health and disease to their simplistic form. The simplicity of Dr. Kaplan's formula is the elegance in his paradigm that there is only one disease—“cytopathology”—and that there are only two causes of disease with one innate cure. To some, this is a new type of thinking, a new type of knowledge. It's hard to overstate how far that “obvious” idea has come. “The road to health is always under construction.” We are born healthy and perfect, and then, as we age, something goes wrong. No longer abundant with health, no longer at our ideal weight, no longer happy, we look within. What went wrong? You were duped. We live in a chemical world; our lives and our bodies are bombarded with chemicals. With so many toxins thrown at us daily, it is amazing that we are ever healthy. This is a new health paradigm made simple. You will learn throughout this book that there is only one disease, two causes of disease, and one cure. This concept will change the way doctors and patients will look at health. Awaken The Wellness Within allows the reader to be proactive in regard to their health. One book, recognizing the power of one cell, will empower one reader at a time to control their health destiny. This is the one book that the world has been waiting for; it allows you to control your future starting today.

Dr. Kaplan takes the requirement imposed on all doctors by The Hippocratic Oath to Ã¢Â ¸First, do no harmÃ¢Â ¸ and gives it an entirely new meaning. Dr. KaplanÃ¢Â ¸s book Ã¢Â ¸Awaken the Wellness WithinÃ¢Â ¸ teaches us all how to take our health and well-being to new levels. Emboldening each of us with the knowledge and belief that we can protect, improve and reenergize ourselves by Ã¢Â ¸controlling our own healthÃ¢Â ¸ we become educated in understanding how each of us can become our own Ã¢Â ¸first respondersÃ¢Â ¸ assuring that we Ã¢Â ¸first do no harm.Ã¢Â ¸ We can then progress through life with the opportunity to remain in the best health possible. Thank you Dr. Kaplan for providing access to this roadmap to better health. Ira Sherman

Another great book by Dr. Kaplan! Absolutely loved it! Dr. Kaplan's book is a great stimulant to the mind. It will make you contemplate about your health and how you should be taking care of it

moving forward. It will enlighten you about the pitfalls in today's healthcare. . Also, it reveals the true way to be healthy and how to empower yourself from illness because knowledge promotes the genius of true health and illness kills that genius.

Easy to read and understand. It will change the way we look at health and enable us to heal ourselves.

New way of looking at sickness. Great writing for the lay person

GAME OVER!!! "AWAKEN THE WELLNESS WITHIN" has peeled back all the layers & allows both Doctors & Patients to understand the root cause of disease. As a life-long student of health, nutrition and the connection of mind/body/spirit, I applaud Dr. Kaplan's for his ground-breaking book, Awaken Wellness Within. He explains that health begins at the cellular level and that we, as intelligent human beings, have the power to restore health and wellness to those cells by living a healthy, stress-free life replete with nutritious foods, minimal medications and freedom from illness and pain. Having taken a similar approach to my own health, I highly endorse this valuable plethora of information. ~ Maurice Horwitz, #1 Bestselling Author of My Life as a Diet

"Awaken the Wellness Within" is a revolutionary approach to health care. Exposing Obama Care and providing a personal solution is the essence of this powerful book. This book is not only a must read, it is a must for every person's personal health library. I will share this model with my patients so they can take a practical approach to health. Thank you Dr. Kaplan. Dr. Glenn Zuck Orthopedic Surgeon Former Sports Fellow Philadelphia Eagles/Flyers

Awaken the Wellness Within has the core message of one Ā¢Â œcureĀ¢Â • Ā¢Â “ to protect and strengthen the cell against environmental stress. Dr. Kaplan simplifies the task by writing, Make sure your cells get what they need and do not expose them to what could harm them. By appreciating the true essence of the person within each cell, Kaplan promotes the concept of cellular transformation and empowers readers to thrive purposefully and energetically through this journey.
