# Dear Taylor (Letters To War Book 1)

## **Synopsis**

Taylor Phillips was working as a barista in NYC the day the twin towers came crashing down. Seeing her city in shambles, coated in ash, and American lives lost, she enlisted to fight the War on Terror. Daniella Melo, a Rhode Island American History teacher, challenges her class to write letters to soldiers fighting overseas. With one name left and a student short, Daniella takes it upon herself to write letters to Private Taylor Phillips stationed in Afghanistan. Over the next two years, the women exchange letters, sharing stories of their daily lives: Daniella trailing after her rambunctious daughter, Jackie, and dealing with overeager seniors planning prom while Taylor trudges through sand and dirt, driving her humvee in cold deserts. Their friendship continues to grow until it becomes something so much more than either woman expect.

## **Customer Reviews**

Character interaction and dialogue was good, just felt a little strung out at the end and then got hammered with a cliff hanger...looking forward to the sequel!

Love this book. The story is engaging and the plot intriguing. The main characters are well developed. I eagerly await the follow-up.

Such a heart warming and sweet story about how this relationship developed in spite of what challenges both have encountered throughout their lives. I can't wait to read more!

I can't even really put into words how this book made me feel. It was so genuine, sweet, funny and deep. It's a bit of a tease but so so good! This will always be one of my faves!

This was a great book! Cannot wait for the sequel!

This story was super sweet and just awe-inspiring. Taylor and Danielle's budding relationship was really sweet and I loved how Jackie just gripped onto Taylor so quickly. The love between Taylor and Daniella built up at a nice pace and just had me drinking up each word eagerly. I thought I might pass out a few times with how excited I got reading this. Can't wait to read the sequel!

Honestly this is such a great book and I'm so very excited for the sequel! I bought one for myself and one for my friend and we both couldn't put it down.

This is an excellent book. I did not want to break its spell by putting it down. Great plot with believable characters that work their way into ones heart.
