Customer Reviews

"An impossibly charming compendium of 100 wise and timeless thoughts from some of history's greatest minds, hand-lettered by Lisa Congdon. The common thread underpinning these quotesâwhich include such beloved luminaries as Albert Camus, Simone de Beauvoir, Henry James, Anne Lamott, Soren Kierkegaard, and Leo Tolstoyâis Congdon's own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being." âBrain Pickings Just right for a pick-me-up."

âFitness Taking its title from a famous Abraham Lincoln quote, this beautifully hand-lettered book shares 100 inspirational quotations from great minds such as Oscar Wilde, George Eliot, and Walt Whitman. Revisit this colorful read whenever you need a pick-me-upâor a pushâto get out there and make the most of your day." âReal Simple.com

This book is SO cute. I have flipped through it and love a lot of the quotes. They are encouraging and make me smile. The fonts are super cute and it's a well made product.

I ordered this on my Kindle and it was difficult to really appreciate the art work, or read some of the quotes, because it is darker than pages of a book. I'm sure it would be much easier to read it in book form.

I got this for my daughter as a high school graduation gift. She loves it.

great book for graduates! PS - this is a great price for this book. It is \$18.99 at Target.

I did not like the way these quotes were written! It looks a bit harder to read! It's all funky written!

I am THRILLED! These books are great quality, and I am VERY excited to include them as part of my graduation gifts! Many are now giving the book "Oh the Places You'll Go" and this is an awesome alternative to that.

This book could have had more inspirational quotes. I feel like some of it just was just random quotes thrown together.

Hard to put down but I wish it were a flip book so I could DISPLAY the quotes occasionally.
