Zombie Tramp Vol. 1

Synopsis

A high-priced Hollywood call-girl gets set up on a bad date by her transvestite madame, gets bitten by a zombie, and then seeks out vengeance on those who wronged her! Cartoon grindhouse action abounds - with voodoo queens, zombie convicts, and crooked LAPD! The sold-out and out-of-print first volume gets re-mastered, with a new cover, deleted scenes, and more!

Customer Reviews

This was a really cool book, skimpy costumes aside, the art style is really cool and the story is awesome!

If you like gory scenes then you should buy it. You will either love the art style or hate it.

A fun read1 1 1 1 1 2 w e r t y l l a z x

The original print looks to be worth 5k!It might still be worth it. I almost bought a Banksy print 8-9 years ago for 11k pounds. That thing is worth like 100k now. Just saying

Janey Belle is just a high priced Hollywood call girl who makes the wrong decision when she chooses to help out her Madame, George. When George is arrested, Janey is asked to spend a night with Sheriff Rudolph in exchange for George's freedom. Except the sheriff wants more than to spend a night with Janey; he also wants to feed her to his zombie son, Jason. Janey wakes up from the encounter a zombie herself, and bent on getting revenge against the people who caused her to die... and become reanimated. Aided by the Voodoo Queen Xula, Janey visits her old madame and then the sheriff, each one in turn satisfying the rage of betrayal and abuse in Janey. She possesses some interesting abilities, too, which I very much liked about the story. For example, Janey, if she loses a part of her body, can replace it with someone else's part. It was amusing to see her tear an arm off and stick it on her own body. And, it seems that each night Janey must sleep in the ground, and once she awakens she is regenerated. The book art is a gorgeous scheme of bold black, white, red and grey. I love the style of art that Mendoza is gifted with because it is sexy and yet still grotesque. Highly recommended to people who like horror comics, or just zombies in general.

I did like the style of the artist, and the story was okay. It's no Faust but it's not like zombie stories are Shakespeare. I'm not sure if this is a valid complaint but I was expecting a bit more nudity. It's not a deal breaker but with the title and the cover art, I was surprised that there really wasn't any. I usually give a comic two or three issues before I make a solid judgement so this review may change.

This pulp, grindhouse glory: gore and sex in a highly stylized and almost newsprint comic style. The contrast between the gore and the cartoonish-ness actually works here, the playing against the tone making the outlandish elements seem deliberate and played for dark comedy. It is very much like a late 1970s or early 1980s Grindhouse movie in comic form.
