## **Customer Reviews**

Trying out this series in school this year.

The book itself is great, but it is supposed to come with a CD and DVD, which it did not. I contacted for a replacement, which they provided in a timely manner, but unfortunately there was no CD or DVD in the replacement either. Product is great. 's customer service people were great, but I still did not end up with the complete package so I ended up returning it to .
