2017 Standard Catalog Of Firearms: The Collector's Price & Reference Guide

Synopsis

More guns! More values! More of what you need! For more than a quarter century Standard Catalog of Firearms has been the leading illustrated guide to guns and their values, offering more of what the firearms enthusiast and collector needs--more photos, more prices and more guns! Every edition is updated with the newest entries from today's manufacturers of handguns, rifles and shotguns, plus the latest values from a wide range of experts, editors and auction houses for virtually every gun made or sold in America since the early 1800s. Standard Catalog of Firearms is a must-have guide to commercial firearms, past and present. Inside you'll find: More than 7,500 photos with extensive descriptions that let you know what it's worth. Updated values and up to six condition grades, for a total of more than 110,000 prices. 16-page full-color photo section showcasing extraordinary Colt handguns. A guide to Firearms Trade Names covering more than 150 years of gun history. Whether you're a serious gun collector, a casual gun-show trader, a hunter or recreational shooter, if you buy, sell or trade firearms, Standard Catalog of Firearms is the best insurance you can buy!

Customer Reviews

Jerry Lee has been the editor of many leading magazines in the firearms field, including Guns, Petersen's Handguns, Rifle Shooter and others, and has written articles for these and other publications and websites. He is the editor of Gun Digest, the annual flagship title of Gun Digest

Books, a contributing editor to Modern Gun Values, and the author of Standard Catalog of Ruger Firearms.

The new edition is nicely organized and easy to find what you are looking for. A well bound, thick treasure of firearm references.

Great reference for anyone interested in descriptions of firearms and approximate values. That it has pictures of the guns is especially helpful. I buy a new one every couple of years to keep up with new models and changing values.

This book is essential for people who buy and sell used (and maybe even new) firearms. It gives an accurate assessment of the fair market value that you need to have before you enter into a transaction with a private individual or a gun shop or pawn shop.

Nice and good price too

excellent book

This was purchased as a gift and the recipient loved it! This book contains almost every gun ever made and the prices listed are realistic.

I bought this book for my husband and he loves it!

A very useful and informative book. I use it often.
