Tom Kundig: Works

Synopsis

In *Tom Kundig: Works*, the celebrated Seattle-based architect presents nineteen new projects, from Hawaii to New York City. Kundig's award-winning houses, known for their rugged yet elegant and welcoming style, are showcased in lush photography with drawings and sketches, and appear alongside his commercial work—from multistory complexes to the Tacoma Art Museum to a line of hardware (handles, door pulls, hinges, and more). In firsthand accounts, Kundig describes the projects and his design process with many personal anecdotes, making *Tom Kundig: Works* as much memoir as monograph. The book also includes an introduction by design editor Pilar Viladas and in-depth conversations with Kundig's frequent collaborators—the "gizmologist" Phil Turner and contractor Jim Dow (Schuchart/ Dow)—and clients (Bigwood Residence and Studhorse).

Customer Reviews

"...his latest book, *Tom Kundig Works* shows that he always starts with the idea of intimacy. No matter what size they are, his buildings are comfortably scaled shelters from which to enjoy the spectacle of nature, even if it's only urban greenery." - *Wall Street Journal*

Works is the latest tome on Kundig's quietly prolific output, a portfolio of relatively modest but undeniably spectacular homes that exploit the topography, views and atmosphere of their sites down to every last detail." - *Wallpaper**

Works incorporates the architect's personal observations about his projects alongside conversations with frequent collaborators and clients (including thoughts from Olson Kundig's resident-gizmologist Phil Turner), creating a holistic and intimate portrait of his working process. The book offers not only gorgeous studies of Kundig's signature details and integration with natural landscapes, but also a record of his refreshingly straightforward voice." - *Archinect*

Tom Kundig:

Works unveils 19 of the architect's striking, angular private residences, commercial spaces, and public buildings. Each pairs raw, rugged exteriors with inviting interior spaces that champion simplicity, comfort, and warmth." - Elle Decor "The sense of quiet, warmth and tranquillity in the projects in Works, from the Studhorse residence in Winthrop, Washington to the Pole Pass Cabin on Washington's Orcas Island and an Upper East Side residence, all speak to the Kundig's unique style of modern architecture." - The Vancouver Sun "The book is beautifully designed and produced: a match for its content, and a joy to browse." - Form "Filled with dozens of sketches, renderings and lavish full-page photographs, the book follows two previous volumes celebrating Kundig's houses, both among the publisher's best-selling titles of all time." - Rhapsody Magazine ".make sure to check out Tom Kundig: Works

www..com/Tom-Kundig-Works/dp/1616893451/ref=sr_1_1?s=books&ie=UTF8&qid=1447214259&sr=1-1&keywords=Tom+Kundig:+Works,&pebp=1447214260856&perid=12KJD2Y1Y1BV89KMX5C>, a beautiful coffee table book out now. Your living room ambiance will thank you." - Airows.com "...the book is as autobiographical and informative as it is beautiful." -- Uncrate

Over the past three decades, Tom Kundig has received some of the world's highest design honors, from the National Design Award from the Smithsonian Cooper-Hewitt National Design Museum to an Academy Award in Architecture from the American Academy of Arts and Letters. In 2012, he was inducted into Interior Design magazine's Hall of Fame. Kundig's work has received over 50 awards from the American Institute of Architects, including ten National Honor Awards and seven National Housing Awards. His work has appeared in hundreds of publications worldwide such as the New York Times, the Telegraph, Architectural Record, Financial Times, Architectural Digest and the Wall Street Journal, and countless books, including House by Diane Keaton. Named in the Wallpaper* 150 as a key individual who influences and inspires the way we live, work, and travel, Tom's current projects extend from North America to Asia, South America, Australia, and Europe, including a World Heritage site in Dachstein, Austria.

This is a fabulous, large format monograph on a truly unique American architect. Sixteen projects are shown with locations from Seattle and Washington state, California, Hawaii, Pennsylvania and NYC. Wow. All of the projects are beautifully photographed, depicted with site plans, floor plans, building sections and sometimes conceptual sketches. This is the perfect book for anyone interested in Modern Residential Architecture. Tom Kundig is at the top of his field and has developed a wonderful, warm and inviting yet minimal style. I study this volume each day and see

something new every time. LOVE THIS BOOK!!!

Perfect blend of projects, stunning photography, sketches and perhaps most importantly reflections and stories from the architect himself on the projects, process and people behind it all. Reminds me of the first ever Tom Kundig Houses where we fell in love with the work. Tom Kundig Works is the best of the collection.

Beautiful and inspiring. Tom Kundig is a master, and though most cannot afford to hire him for their own homes, his ideas are fresh and exciting. We love how he embraces the outdoors and considers that space part of the entire home design.

Can't stop opening it to look again!

Must have book. Unique Architecture. Great Architect

Quality production.

Amazing book about the seattle based architect.

as promised
