Dateline Jerusalem: An Eyewitness Account Of Prophecies Unfolding In The Middle East

Synopsis

Historyâ™s final chapter will be written in Jerusalem. When an Iranian president thunders a murderous threat or an obscure Turkish drunkardÂ has a dream in Mecca or a Jewish couple from Brooklyn lands at Tel Avivâ™s Ben Gurion airport, these events might seem disconnected. But theyâ™re not. In Dateline Jerusalem, CBN News correspondent Chris Mitchell connects the dots and unveils Jerusalem as the epicenter and crossroads of the spiritual, political, and, yes, supernatural worlds. For thousands of years, Jerusalemâ™s powerful draw has always transcended simple economics, military strategy, and religious affiliation. In our own time, as the Arab Spring threatens to become an Islamic Winter, one commentator warns: âœThe Arab Spring doesnâ™t lead to democracy, it leads to Jerusalem.â• Indeed, the fragile peace of Israel is in new peril as violent Islamic factions vie for control of surrounding nations. Yet Muslims are converting to Christianity in record numbers. Dateline Jerusalem untangles and chronicles all this through the riveting narrative of a Christian reporter in the upheaval of the modern Fertile Crescent. We live in a world where we cannot afford to be ill informed. What happens in the strategic Middle East, Israel, and Jerusalem is critical. It matters to you. Todayâ™s news might focus on Washington, New York, London, or Moscow, but historyâ™s final chapter will be written in Jerusalem. Chris Mitchellâ™s firsthand experiences and reporting uniquely qualify him to expound on and explain the major trends and developments sweeping the Middle East and affecting the world. Mitchell has served as the bureauÂ chief for CBN News since August 2000.

Customer Reviews

Mr. Mitchell writes from first-hand experience and observations of current events in the Middle East as well as personal interviews with many of the people involved. His narratives are very informative and he has the ability to hold the readers' attention. If you have questions about why the countries in this region of the world have so much animosity toward Israel, this book will make it clear. Another exciting aspect of Dateline Jerusalem is the evidence the author provides of what God is currently doing in and around this very important area of the world. If you need encouragement to believe that God is in control of world events, this book is a good one to read, and I recommend it to anyone who is searching for understanding.

Dateline Jerusalem gives a clear and excellent overview of the importance of Jerusalem and the Jewish people in our world today. From the "Arab Spring" to evidence of the fulfillment of biblical prophecy, Dateline Jerusalem brings the reader into an understanding of God's purposes for the entire world. The author has presented the material in an accurate, orderly but also personal fashion. If anyone wants to understand God's agenda for this generation, I highly recommend this book, Dateline Jerusalem.

I found this book to be the most informative book on world events and the movement of God among the world. We hear of the worst from the media but the massive conversion taking place in this same part of the world. The author paints a clear picture of what's going on behind the scenes and brings hope to the reader that God and God alone is in control. Look up folks for your redemption draws nigh so come Lord Jesus.

Chris Mitchell lives what he writes. He includes a bit of everything from ancient Biblical history to recent history to current events to Biblical prophecy and ties them all together. He has some

wonderful and uplifting chapters on the power of prayer and evangelism in these last days. This book is not a downer on the perils of the end times, but rather a personal account of God's word being fulfilled.

In this book, we have politics, prophecies and history pertaining to the most important city and region in then world. I would highly recommend that everyone read it. Chris is a gifted communicator with many years experience on the field. He has much to teach us about the Middle East situation and the city of Jerusalem.

Author Mitchell beautifully "plants" you in Jerusalem as history unfolds before he & his family's eyes. Mitchell is a man of faith answering the call of God to record these turbulent times, and counts it a blessing to do so.

We just got back from a trip to Israel! To read about places we just visited was awesome. Like Mr. Mitchell said, "to read the Bible it is in black and white, to visit Israel and then read the Bible it is in color! I would recommend every believer and non-believer to read this book!

I appreciate Mitchell's insight over many years of residing in Jerusalem as a Christian journalist.
