Customer Reviews

Definitely pocket sized. Decent book with basic paper and good translation.

Easy to read translations. Dont expect a regular sized book, as described this is a pocket havamal and it is very small in size.

Awesome read, already passed my first on and going to get a second! Great gift idea!

Small and convenient. My only gripe is that as a soft back it can easily be damaged.

Fantastic book. Going to carry on deployment. Some of the runes are wrong, but the English is fine.

love this little pocket sized book. Lots of great words of wisdom.

Easy to carry easy to understand although you might want to read some things over and over just to fully understand it.

It's perfect for on the go. Easily read. A great addition to my daily reading. I recommend it to anyone interested.
