Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Good book, however not what I was looking for. I was hoping this would fall a little more on the "easy" side so I could use it for my young students but it is more geared toward intermediate players. Lots of Barre Chords and some of the melodies require "low G" to play. Good songs and

useful if you are entertaining kids.

I really like that the song titles are alphabetized in the table of contents
