The Way Of Orisa: Empowering Your Life Through The Ancient African Religion Of Ifa

Synopsis

Carried to the Americas by slaves, the 8,000-year-old philosophy of Ifa originated with the Yoruba peoples of West Africa. Ifa's enduring message of strength and inner peace, one that offers a way to harmonize our spiritual and worldly aims, is enjoying a resurgence of popularity in the West. Written by an avid student and accomplished practitioner, *The Way of the Orisa* provides an exhilarating introduction to the orisa, the powerful messenger spirits who act as our personal guardians. Through fables, rituals, prayers and simple guidelines, Philip Neimark shows how we can further our personal and professional goals by cultivating the loving support of orisa energy. Joyous, wise and eminently practical, *The Way of the Orisa* brings a vibrant ancient tradition to contemporary life.

Philip Neimark, an American businessman and publisher, is an Oluwo, or high priest, of Ifa.

Well written and informative both with regards to experienced worshippers and those who are just embarking upon the road to seeking knowledge and learning. An excellent teaching tool for Godparents and an informed book for alleyo's.

Very interesting and informative read- i simply love it!

Positive experience.

It definitely left me with questions as to whether the info was based on Lucumi or Ifa traditions... Like, why say twins are either Shango or Osun, without divination? OR why leave a candle burning for x minutes? But it has good general info, and then you can refer back to your own Babalawo.

This book was a great read. This book educated myself to no end Some of the names I couldn't pronoun, but overall very interesting

I am enjoying this book thoroughly. It's an easy read but full of so much information. You never want to put it down. It sucks you in and really lays a wonderful foundation to understanding Ifa. I'm glad I purchased this book to assist in guiding me down the ancient path of my ancestors.

Very informative and great condition

If you practice Yoruba, or are interested in African spirituality. This is the way to to.
