Customer Reviews

OP Clanbook Gangrel Revised Ed (Vampire: The Masquerade Clanbooks).

I was very pleased with the condition this book was in, not to mention the speed by which I found myself in possession of the product after purchase, my entire gaming table was thrilled to see the book in my hand that following weekend and we've gotten tremendous enjoyment from it since. The book itself is an old print from the Vampire the Masquerade Revised rules and was among my favorite updates to the various clans. I would definitely continue to purchase these products from and their affiliates.

Completed my set of Clanbooks for the Old World of Darkness. This one was great condition, a little shelf wear but nothing more than that.

The information was everything I wanted..but the condition of the book overall was less than expected. Still another clan book down, 4 to go.

Quienes son considerados CLANES dentro de WOD: Tremere, Assamite, Brujah, Ventrue, Lasombra, pero vamos...

I have been playing the world of Darkness system for some time now and came to realize what the clanbooks actually do for starting characters. This book not only helps in the Tabletop system, but also helps to increase the diversity of the Live Action game as well. This is a must have for those of you who are just like me and play both games to the fullest.

I agree with the guy above, claiming the Gangrel were more than feral animals, and did more than growl and bark. Anyway...

No hay mas que decir salvo.... Guaf Guaf Guaf Guaf Wolf Wulf Miau Miau, Miyagi, Miau (lexico Gangrel)
