DK Eyewitness Travel Guide: Tunisia

Synopsis

The lavishly illustrated and fully updated DK Eyewitness Travel Guide: Tunisia will be your perfect travel companion to this stunning island with its charming blend of Islamic, Berber, and European culture. Tunisia is covered in exhaustive detail with cutaways, 3D aerial views, and floor plans of all the major sights, such as the Roman ruins in Sbeitla, the baths at Carthage, the pit homes of Matmata (featured in *Star Wars*), and the magical atmosphere of desert oases in the south. Full color maps and plans enable you to explore the island in depth, while walks, scenic routes, and thematic tours will ensure that you won't miss a thing. Illustrated food features highlight regional gastronomic delights and the guide comes complete with an impressive selection of restaurants and hotels. With its abundance of sumptuous photographs and expert information on everything from where to go diving to the lowdown on the best beaches in Hammamet, as well as sights, markets, beaches, and festivals listed town by town, this guide provides everything you need to enjoy the perfect Tunisian break. Don't miss a thing on your vacation with DK Eyewitness Travel Guide to Tunisia. HIGHLIGHTS INCLUDE: Packed with photographs, illustrations, and maps Cutaways and floor plans of all the major sights 3D aerial views of the city's most interesting districts Huge selection of hotels, restaurants, stores, and entertainment venues

Just arrived in Tunis hoping that this book would get me through my week in Tunisia. For the past 48 hours, it has proven incredibly unhelpful and I just ordered the Lonely Planet guide via download PDF instead because I am desperate. This entire book does not even have a decent map of Tunis, leaving it completely up to me to figure out how to get from place to place. And, yet, it recommends that we walk to sites rather than taking a taxi. Additionally, the book does not make it clear what is the most interesting sites and the moderately interesting sites. After reading the book in an hour, I was not able to decipher which were the 2-3 must see sites. Although the book has pictures and a decent amount of background information, it is not a practical guide and certainly cannot be your only guide in the country. Buy this book if you never plan to travel to Tunisia and, instead, just want to learn about the country. Buy the Lonely Planet guide (or the Tunisia chapter of the Africa book) if you want practical information.

Very good guide with nice photos. Unfortunately out of date at 2005.

Any travel book published by DK is well worth the investment. Traveled to Tunisia and needed more in depth descriptions of places visited.

Great intro to the culture of Tunisia and starting point for further research.

Just came back from two weeks in Tunisia. As we had to go to Europe, we decided within a week to go to Tunisia and the only place I could get the book was from , but we were scare not to have it on time. We went all over Tunisia with OAT Travel. I showed the guide others places which were in the book and from that he detoured when he could do it. Without the book we will had missed a lot. As

we travel a lot we have at least 27 books from DK Eyewitness Travel which we went to all those countries. Most of my books I use a marker to spot easier the places to see. We do not have too many places to see in the world, but I will never leave without those books. The Planet Books are very good too for places to eat and sleep.

A very informative guidebook!

The DK Eyewitness Guide served as a wonderful resource during my recent trip to Tunisia. The photography was beautiful, The historical and cultural explanations were often more complete than that offered by my paid guide. It is easy to use and invaluable to anyone visiting. I'd highly recommend it.

As it is the case with all DK travel guides, this is a very hands on guide, with sightseeing routes to be followed and pics to give the reader an idea of what to see...
