The Onion is a satirical newspaper founded in 1988 by University of Wisconsin students and is these days published weekly from Chicago.

Always good for a chuckle. I like the daily calendar because it gives a little humor each day without needing to sit down and read a whole newspaper.

Well... it is the Onion. Usually hit or miss with me, but if you like their stuff, you'll like this calendar. Although, it is rather cheaply done.

This calendar will give you at least one laugh per day. Used 'days' make amusing bookmarks or scrap paper.

The content is great, but the calendar falls apart on my desk. The glue does not hold at all. The kickstand is not sturdy. I do not expect much, but Jeopardy and The New Yorker calendars at least work. No complaints with them

The Onion rarely disappoints, and this calendar is no exception. Brings at least a smile to my face (and usually a guffaw from my wife) every morning. That's worth a lot!

The most popular Christmas gift we gave!

A must have to get through any year, and especially so this year.

I've been getting this calendar every year for my brother for many years. It brings hilarity into his world and that's a good thing.
