## **Synopsis**

Today's hottest rapper—the enigmatic Eminem—delivers a provocative collection of his uncensored lyrics, complete with personal commentary on each controversial song. *Angry Blonde* is the only official Eminem book on the market, done with the complete authorisation and support of the rap superstar. Eminem is a multi-platinum recording artist whose albums *The Slim Shady LP* and *The Marshall Mathers LP* have sold nearly nine million copies combined. Eminem's most recent release, *The Marshall Mathers LP*, made music history as the fastest-selling album from a solo act in Billboard history—it sold 1.76 million copies in its first week and has netted 6 million copies to date. Entertainment Weekly called *The Marshall Mathers LP* "The first great pop record of the 21st Century." Eminem is everywhere. His face has graced the covers of *Rolling Stone*, *Entertainment Weekly*, and *Spin*, among other magazines; he has a *Play* "View special slated for Christmas 2000; and he will be performing at the MTV Video Music Awards this September. Eminem's personal life is also garnering him a lot of media attention: he's currently being sued for defamation of character by his mother and faces two separate assault charges. Along with his controversial lyrics and Eminem's own commentary on them, *Angry Blonde* will feature never-before-published photos.
