More All-Of-A-Kind Family

Synopsis

Sydney Taylor's beloved All-of-a-Kind Family series chronicles a Jewish immigrant family at the beginning of the twentieth century. The richly drawn characters, based on Taylor's own life, include five sisters—Ella, Henny, Sarah, Charlotte, Gertie—and their mischievous brother, Charlie. The second book in the series, this YA classic presents a vivid and humorous portrait of life at the turn of the century, as WWI approaches, a single uncle finds love, and a new friendship blooms among latkes and the library. Born in 1904 on New York's Lower East Side, Sydney Taylor was one of the first authors of children's books centered on Jewish characters, and is especially known for the immensely popular All-of-a-Kind Family series. The Sydney Taylor Book Award is given each year by the Jewish Association of Libraries to a book for young people that authentically portrays the Jewish experience.

Grade 3-6-More All-of-a-Kind Family is the third book in Sydney Taylor's series that transports children back to a time of horses and wagons and colorful, bustling neighborhoods. The books chronicle a Jewish immigrant family at the beginning of the 20th century. The richly drawn characters, based on Taylor's own life, include five sisters and their mischievous brother, Charlie. New York's upper east side provides the backdrop as the unwatched Charlie toddles in front of an

on-coming wagon with unexpected results. But, while the family's lively adventures take place during a very different time, there is a universality to the human emotions that transcends time, and insures that this series will be passed from one generation to the next. Suzanne Toren, the narrator of the previous audiobooks, demonstrates her acting ability again as she imbues each of the sisters with unique voices. A master of age and accent, Toren moves flawlessly between generations and ethnic backgrounds. Fans of the series will be happy to settle with this audiobook, while those who are meeting the All-of-a-Kind Family for the first time will soon feel right at home.Emily Herman, Mary Lin Elementary School, Atlanta, GACopyright 2002 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

Toren lends her beautiful speaking voice to the tales, differentiating the characters in an understated storytelling style." I read the whole series when I was a child, starting with *All of a Kind Family*, all the way to the last title. They were all fabulous. For the information of potential readers, the library mentioned in the first book, on East Broadway in NYC, is still there, a working library. If you visit NYC you can see it. The books present a picture of the way immigrants families worked hard to become Americans, just as they continue to today.

You will adore these. They are like a lovely, warm cross between the Little House on the Prairie books and the American Girl Rebecca Rubin stories, with a dash of Little Women. They follow the story of a Jewish family with 5 little daughters on the Lower East Side of NYC in the 19-teens, and they are full of wonderful detail about that time and place, including nice, accessible descriptions of Jewish holidays and foods that I am so glad to see in children's literature.

This story is wonderful! It has superior wording and I love the joy it brings me. The adventures of All Of a Kind Family will never get old!
