Customer Reviews

I purchased this book for a performance with a friend of mine who hasn't played a lot of classical guitar songs/style. The songs were broken down into an easy format to learn and made playing a breeze. Also it is a perfect match to the "Easy Classical Viola and Cello" Duet song book. (We had a cello player so having a book that matched up was important)

I like playing classical guitar, and I bought this book to practice with my daughter who plays the viola, but I found the guitar accompaniment to be pretty basic and not very rich, I think he could have done better.
