Paint Charming Seaside Scenes With Acrylics

Synopsis

Paint 16 scenes that conjure the romance of the sea Seagulls cawing, the meeting of sky and sea, the hypnotic ebb and flow of waves breaking on the shore—it's no wonder artists are drawn to the magic of the sea. Jacqueline Penney has lived near the water and been inspired by its many moods for over 30 years. In this book, she shares her favorite techniques and expert tricks for capturing the atmosphere and romance of the ocean in acrylics. 16 gorgeous painting projects—from beautiful sunrises and a romantic walk along the beach, to scenes featuring lobster boats and lighthouses Step-by-step instruction for painting a wide range of seascape elements including waves, skies, sand dunes, reflections, driftwood, grasses, rocks, sailboats, fishing shacks and more Techniques for painting pebbly beaches, ocean spray, weather-worn rocks and other realistic textures Creative variations to explore, including two-piece artworks, painting with a palette knife and moonlit scenes Complete with a gallery of finished paintings that deliver waves of inspiration to water-loving artists of every skill level.

Jacqueline Penney is a well-known artist and very successful author who has maintained her Penney Gallery/Studio on the North Fork of Long Island for the past thirty-five years. She captures the charming moods of the seascape in her colorful and inviting paintings.

This is one of the best books I have had to do with oceans and waves . I got it from the library and I knew it was to be a must have ,so I bought it from I am now awaiting my copy to arrive now

As a fan of Jacqueline Penney's style of artwork, I found this book very inspiring. She gives plenty of assistance for creating similar nautical-themed works. Wonderful!

This book will be used to paint seascapes in acrylic paint. I think this book is an excellent reference book to add to my library of painting books.

Great book for beginners, gives you step by step instructions and a lot of tips along the way.

Nice, not enough variety in water...

Great informative book with easy to understand info for beginner and experienced painter!

Useful and easy to follow.

The projects are very nice, loved the simple and useful techniques. Inexpensive, GREAT quality (bought it used- like new). Thank you.
