Atlas: Countries Of The World From Afghanistan To Zimbabwe - Volume 1 - Countries From A To K

Synopsis

There are 263 countries in the world. Of these 263 countries, the sovereignty of several are disputed. Only 193 are members of the United Nations, one more is classified as an observer state, and twelve are not currently members of the United Nations. Russia is the largest country in the world and Vatican City is the smallest country.Â This book contains a truley fantastic collection of 263 maps covering every inch of the globe.

Customer Reviews

Atlas offers a very general overview of part of world covered. I had hoped for a little more detail regarding towns and road systems. Guess I expected a tyical road atlas. This is ok but can't look up peoples home area when on cruise ship which is where I want to use it without carrying hardback atlas.

Not a very good atlas.. I expected more details. What a waste of money! Don't buy!! Wanted more detailed maps.

Not of much use. Not enough dental.

Worthless.

Don't waste your time

Great service
